

Winnebago Reveals 2020 Wheelchair-Ready Motorhomes and New Dealers

September 4, 2019

2020 Accessibility-Enhanced RV Line Revealed at America's Largest RV Show in Hershey, Pennsylvania, Now Carried by Lazydays RV, Stoltzfus RV, and U.S. Adventure RV

FOREST CITY, Iowa and HERSHEY, Pa., Sept. 4, 2019 /PRNewswire/ -- The [Winnebago](#) (NYSE: WGO) 2020 [Accessibility-Enhanced motorhome](#) line includes updated features and is being carried by two new dealers - [Stoltzfus RV](#), and [US Adventure RV](#), as well as existing dealers such as [Lazydays RV](#). All 2020 models now feature air-assisted doors for wheelchair lifts. The new Intent 30R AE includes a power Murphy bed-sofa providing additional living space when not in use, while the 2020 30T AE Adventurer boasts a sofa-bed, to accommodate additional passengers. While the updated AE 2020 line provides expanded accommodations for traveler freedom, the product also standardizes the purchasing process through dealers such as Stoltzfus RV, Lazydays RV, and US Adventure RV. The new line will be on display at [America's Largest RV Show](#), September 11 - 15, 2019 at the Giant Center in Hershey, Pennsylvania.

"We strive to help our customers enjoy their recreational lifestyles with quality products and the highest levels of service. To build lasting relationships, we take responsibility for our customers' satisfaction throughout the sales and maintenance process - start to finish," states Stoltzfus President Bob Cox. "We are excited to partner with Winnebago to further benefit our customers by providing their Accessibility-Enhanced line for individuals in wheelchairs and with limited mobility."

With three standardized floor plans, the Winnebago AE motorhome line opens up a wider and richer world by allowing people in wheelchairs to travel with comfort and confidence. This addition of more dealers helps ensure this important customer base can have access to view and test models in advance of a purchase.

"US Adventure RV has been recognized as one of North America's top 50 Dealerships by *RV Business* in terms of Customer Care and are unique in that our Special Vehicle Group can modify or custom build to accommodate unique needs," explained US Adventure RV President John Dresselhaus. "We pride ourselves on providing an exceptional experience for each customer by utilizing our extensive knowledge and low pressure sales environment. Simply, we are thrilled to offer the new Winnebago AE line of RVs to our mobility impaired customer base for both sale and rental."

According to the U.S. Census Bureau [2012 report](#), there are approximately 3.6 million people over the age of 15 who use a wheelchair, with an additional 11.6 million people utilizing canes, crutches or walkers.

"Since 1976, Lazydays has built a solid reputation for providing an outstanding customer experience; from exceptional service to product expertise and model variety," states Ron Fleming, Vice President & National General Manager of Lazydays RV. "When customers come to us, they are shopping for their home away from home. So, we are excited to be able to serve an even greater market and help those in wheelchairs and with limited mobility find their home away from home."

In addition to the new features, the Accessibility-Enhanced RV line includes floorplans that reflect the most commonly requested design elements such as:

- Platform wheelchair lift with an 800-pound lifting capacity
- Air assisted door, with wall-mount and key-fob remote controls for wheelchair entry and exit
- Expanded hallway and bathroom areas
- Large roll-in shower with an assist bar and available folding bench seat, and adjustable height shower head, Raised toilet with assist bars
- Roll under lavatory sink standard on 30T AE Adventurer floorplan
- Electric adjustable queen bed standard on 34T AE Forza, optional for 30T AE Adventurer (or power Murphy sofa-bed depending on the model)

- Thermostatically or remote-control roof vents
- Wall-mounted light and generator switches
- Lower installation of the systems monitor panel
- Optional 6-way power transfer seat
- Optional lower microwave placement

"Our goal has always been to help our customers explore the outdoor lifestyle, enabling extraordinary experiences as they travel, live, work and play. The Accessibility-Enhanced line opens new doors for those who may have thought their traveling days were over," says Robert Kim, head of WGO's Specialty Vehicle Division. "We are thrilled to be partnered with these new dealers to expand the availability of the AE lines as we continue to grow and adapt our products in response to our customers' needs."
