The Sightseer and Sunova are Class A gasoline powered motorhomes that provide value and quality in four full-featured floorplans, including the brand new 35G. The 35G features three spacious slideouts, a unique extendable U-shaped sectional sofa/sleeper and the exciting new "InTable." Winnebago Industries' exclusively designed "InTable" functions not only as an end table, but also as a dining table, island, and desk. Plus, the new "InTable" has flip-up ends to expand its working surface, offers storage and it's mobile so that it can be used throughout the front living area of the motorhome!

In addition, a full complement of Winnebago Industries' motorhomes and towable products will be on display at the show, including the following exciting products:

- Winnebago Tour and Itasca Ellipse 42GD with four slideouts, a unique forward galley, impressive 55" LCD TV mid-coach with great lounge seating in an L-shaped extendable sectional sofa, a spacious bathroom and elegant extendable dining table
- Winnebago Vista and Itasca Sunstar 26HE, a value-loaded floorplan that is ideal for RV enthusiasts of all ages
- Winnebago Journey and Itasca Meridian 34B, a new floorplan that brings an extendable sectional Comfort Sofa Sleeper and incredible spaciousness thanks to triple slideouts.
- Winnebago Ultralite, a new entry into the lightweight travel trailer market that features a blend of Amish craftsmanship with 21st century styling. At less than 6,000 pounds, the Ultralite can be towed with most of today's smaller tow vehicles.
